

## Curriculum Vitae

**Surname/Family name:** Sukeepaisarnjaroen

**First name/other name:** Wattana

**Date of Birth:** Nov 1, 1954

**Chanthaburi,** Thailand.

**Nationality:** Thai

**Marital Status:** Married

**Husband name:** Associated Professor Wisut Sukeepaisarncharoen

**Work Address:** Division of Gastroenterology and Hepatology,

Department of Medicine,

Faculty of Medicine, Khon Kean University,

Khon Kean, Thailand, 40002

Tel 6643 363664, 6643 203256

Fax 6643 203256, 6643 347542

**Or**

Liver Research unit

16<sup>th</sup> Floor of SV building, room 1632

Srinagarind Hospital

Faculty of Medicine

Tel 6643 366558, 6687 427 4093

Fax 6643 202256

### **Education:**

- a. High school: Tratakarnkun School, Trat province, Thailand.
- b. University:
  - Faculty of Science, Khon Kean University, Thailand. 1973-1975
  - Faculty of Medicine, Khon Kean University, Thailand. 1975-1979
- c. Post Graduate Training:
  - Medical Residency Training Program in Ramathibodi hospital, Mahidol University, Bangkok, Thailand, 1980-1983

### **Degree:**

- B.Sc. (Hon), Faculty of Medicine, Khon Kaen University, 1977

- M.D., Faculty of Medicine, Khon Kean University, Thailand. 1979
- Certificate of Clinical Medical Science, Ramathibodi hospital, Faculty of Medicine, Mahidol University, Thailand. 1981
- Diploma Thai Board of Internal Medicine, Ramathibodi hospital, Faculty of
- Medicine, Mahidol University, Thailand. 1983.
- Diploma Thai Sub-Board of Gastroenterology, Royal College of Physician, Thailand, 1996.

**Previous Post and Present:**

1. Lecturer, Department of Medicine, Srinagarind hospital, Faculty of Medicine, Khon Kaen University, Thailand. 1983-1985.
2. Assistant Professor, Department of Medicine, Srinagarind hospital, Faculty of Medicine, Khon Kaen University, Thailand. 1985-1992.
3. Associate Professor, Department of Medicine, Srinagarind hospital, Faculty of Medicine, Khon Kaen University, Thailand. 1992- present.
4. Chairman of Under-graduation Training of Medicine, Faculty of Medicine, Khon Kean University, Thailand. 2000-2002.
5. Vice Head of Department of Medicine, Srinagarind hospital, Faculty of Medicine, Khon Kean University, Thailand. 2001-2002.
6. Head of Department of Medicine, Srinagarind hospital, Faculty of Medicine, Khon Kean University, Thailand. 2006 – JUL31,2010
7. Chairman, Postgraduate Course: 21st Conference of The Asian Pacific Association for the Study of the Liver (APASL 2011) Bangkok Thailand.
8. Chairman, Young Investigators Awards: Asia Pacific Digestive Week(APDW 2012) Bangkok Thailand.
9. President of Liver care Foundation Thailand.2013-

**Academic Administration:**

1. Master of a class of Medical Student, Faculty of Medicine, Khon Kean University, Thailand. 1983-1993.
2. Member of Committee for Comprehensive Medicine, Khon Kean University, Thailand.1999.
3. Chairman of Committee for Comprehensive Medicine, Khon Kean University, Thailand.2000-present.
4. Assistant of Academic Affair, Faculty of Medicine, Khon Kean University, Thailand. October 2005- present

### **Current Research Interests:**

1. TB peritonitis: Diagnosis and Clinical Manifestation.
2. Fascioliasis: Diagnosis and Clinical Manifestation of Fascioliasis in North-East of Thailand.
3. Dyspepsia: Etiology.
4. Hepatocellular Carcinoma: Early diagnosis.
5. Respiratory Alteration in Genotype 2/3 Chronic Hepatitis C Patients Treated with Pegylated Interferon or Albinterferon alfa-2b Plus Ribavirin in a Randomized Study
6. To evaluate clinical demographic data of hepatocellular carcinoma in Srinagarind Hospital, Khon Kaen, Thailand
7. 2-Year results of telbivudine(LDT) roadmap study verify the optimal efficacy and safety results in HBeAg positive chronic hepatitis B (CHB) patients
8. An early response to Peginterferon Alfa-2a therapy in HBeAg-negative chronic hepatitis B enrolled to Thailand Chronic Hepatitis B registry
9. Thailand Chronic Hepatitis B Registry: On-treatment Response in HBeAg-Positive Patients Receiving Peginterferon Alfa-2a
10. Safety and efficacy of Albinterferon-alfa-2b every four weeks plus ribavirin for treatment of chronic hepatitis C genotype 2/3
11. Authorship Rules albIFN Study B2202
12. 21st Conference of the Asian Pacific Association for the Study of the Liver (APASL 2011 Thailand Page 1 of 1)
13. To evaluate clinical demographic data of hepatocellular carcinoma in Srinagarind Hospital, Khon Kean, Thailand.
14. A Phase I/II study of foretinib, an oral multikinase inhibitor targeting MET, RON, AXL, TIE-2 and VEGFR in advanced hepatocellular carcinoma
15. 52-Week Efficacy and Safety of Telbivudine with Conditional Tenofovir Intensification at Week 24 in HBeAg-Positive Chronic Hepatitis B
16. Boceprevir plus Peginterferon alfa-2b/ribavirin in Asian patients with chronic HCV genotype 1 who have failed previous treatment: a preliminary result
17. Hospitalized incidence and outcomes of upper gastrointestinal bleeding in Thailand
18. Vitamin D related pathway gene polymorphisms enhanced the prediction of treatment response in Asian Chronic Hepatitis C-Infected patients with Unfavorable IL-28B rs12979860 genotypes.
19. The association of the CXCL10,Dpp-4 Gene Polymorphisms and Complementary Role for Unfavorable IL-28B Genotype in prediction of Treatment Response in Asians With Chronic Hepatitis C Virus Infection.

20. Genetic Variation in Vitamin D Pathway DHCR7 gene Predicts Poor Response to Pegylated Interferon-Alpha Based Therapy in Asian Chronic Hepatitis C Genotype 1-Infected Patients.
21. The first reports of Triple therapy with Boceprevir : Asian Cohort
22. GERD Questionnaire for diagnosis of gastroesophageal reflux disease in systemic sclerosis
23. Two-year results of roadmap strategy confirm the efficacy of telbivudine with conditional tenofovir intensification in HBeAg positive chronic hepatitis B patients
24. Phase 2 Study of Front-Line Dovitinib (TKI258) vs Sorafenib in Patients (Pts) With Advanced Hepatocellular Carcinoma (HCC)
