

THASL 2020 Abstract submission announcement

No.	Name	Institute	Title	presentation type
1	Alan Chuncharunee	Department of Medicine, Faculty of Medicine, Ramathibodi Hospital, Mahidol University, Bangkok, Thailand	Downstaging hepatocellular carcinoma to the Milan Criteria yields similar post-transplant outcomes to tumors within the Milan Criteria: A systematic review and meta-analysis study	oral presentation
2	Amorn Sankhaanurak	Department of Internal Medicine, Faculty of Medicine, Chiang Mai University, Chiang Mai, Thailand	Effect of simplifying protein counting tool and educational intervention on the nutritional status of patient with cirrhosis: A randomized clinical trial	oral presentation
3	Anuchit Suksamai	Division of Gastroenterology and Hepatology, Department of Medicine, Phramongkutklao Hospital and College of Medicine	Urine TIMP-2.IGFBP7 as a predictor for hemodynamic effect and kidney injury in decompensated cirrhosis receiving abdominal paracentesis	oral presentation
4	Kanit Bunnag	Department of Internal Medicine, Phramongkutklao hospital	Quality improvement campaign lead to higher surveillance rate for hepatocellular carcinoma in general medicine clinic	poster presentation
5	Kawin Tangvoraphonkchai	Division of Gastroenterology, Department of Medicine, Faculty of Medicine, Khon Kaen University, Khon Kaen, Thailand	Diagnostic performance of LiverFACT for staging significant liver fibrosis in Thai chronic hepatitis C virus infection patients	oral presentation
6	Nattida Sribuathong	Division of Gastroenterology, Rajavithi Hospital, Bangkok, Thailand	Performance of Non-invasive Liver Fibrosis Tests in Predicting Variceal Bleeding Among Patients with Upper Gastrointestinal Bleeding	oral presentation
7	Onuma Sattayalertyanyong	Division of Gastroenterology, Department of Medicine, Faculty of Medicine Siriraj Hospital, Mahidol University	High clinical relapse with low HBsAg clearance after stopping tenofovir or entecavir in chronic hepatitis B, HBeAg negative patients	oral presentation
8	Panot Sainamthip	Division of Medical Oncology, Phramongkutklao Hospital, College of Medicine	Dexamethasone prophylaxis of postembolization syndrome after transcatheter arterial chemoembolization: A randomized, double-blind, placebo controlled study	oral presentation
9	Pavapol Sirisunhirun	Division of Gastroenterology, Department of Medicine, Siriraj Hospital, Mahidol University	The effects of 12-week home-based exercise training on aerobic capacity, muscle mass and quality of life in cirrhotic patients: preliminary results of randomized clinical trial	poster presentation

THASL 2020 Abstract submission announcement

No.	Name	Institute	Title	presentation type
10	Pipu Tavornshevin	Department of Internal Medicine, Faculty of Medicine, Chiang Mai University, Chiang Mai, Thailand	Association of Portal Vein Thrombosis and Clinical Outcomes in Cirrhotic Patients: A Nested Case-control Study	poster presentation
11	Ratchapong Laiwatthanapaisan	Division of Gastroenterology, Department of Medicine, Rajavithi Hospital	Validation of the Baveno VI Criteria and the Expanded Baveno VI Criteria to Predict Esophageal Varices (EV) in Patients with Compensated Cirrhosis	oral presentation
12	Suvikrom Chattammanat	Department of Medicine, Faculty of Medicine, Siriraj Hospital, Mahidol University, Bangkok, Thailand	Genetic Variation in Patatin-like phospholipase domain containing 3 and the Risk of Nonalcoholic Fatty Liver Disease and Cardiac Arrhythmia: Mendelian Randomization Analysis	oral presentation
13	Thananya Jinato	Chulalongkorn University	Improvement of gut microbiota diversity and composition in patients with HCV mono-infection and HCV/HIV co-infection treated with direct acting antivirals	oral presentation
14	Tongluk Teerasartipan	Division of Gastroenterology, Department of Medicine, Faculty of Medicine, Chulalongkorn University and King Chulalongkorn Memorial Hospital, Bangkok 10330, Thailand	Predictors of acute liver failure and death among patients with dengue-induced severe hepatitis	poster presentation
15	Worayon Chuerboonchi	Department of medicine, Phramongkutklao hospital	Comparison of glycemic control efficacy in chronic hepatitis C after receive treatment with oral direct acting antiviral agents	poster presentation
